Quality care for your retriever is essential. You should assume that a retriever will cost approximately \$300 to feed and \$400 a year in vet bills, heartworm prevention and flea and tick prevention. These amounts do not include expenses associated with emergencies, illness, and injuries. Additional expenses include treats, grooming, collars, leads, bowls and toys. Please be sure you can afford your companion animal before deciding to adopt! We want you to be thrilled with each other and would be glad to help in any way to ensure this. Please email us with questions at linda@goldenretrievals.org

Remember, adoption fees only partially cover the cost of our dogs. They have been examined by one of our network veterinarians and their individual medical needs are addressed. Additionally, each dog has had vaccinations, a heartworm and fecal test, and microchip registration.

I have read and completed the above to the best of my knowledge and agree to the conditions herein.

Applicant's Name	Co-Applicant's Name		
Signature	Signature		
Date	Date		

- The cost of Golden Retrievals dogs varies due to age and medical history/conditions.
- Adoption fees are payable by, cashiers check, money order or cash and accepted in US funds only.
